PARKS • TRAILS • PROGRAMS • REVENUE • EXPENSES • DONORS • VOLUNTEERS

DECEMBER 10, 2011

Dear dedicated supporters and volunteers:

Thank you for your support in 2011! We have completed landmark goals in the Big Sky Community this year.

Thirteen years old, the BSCC is a public benefit not-for-profit 501(c)(3) group dedicated to promoting, acquiring, preserving, and maintaining land, parks, trails, and easements for the benefit of the Big Sky community. In addition to parks and trails, our organization includes many educational and recreational programs. Your financial contribution helps support these programs and facilities. Over 200 donors and volunteers kept the BSCC running this year. Together, we cleared trails, dumped trash, repaired signs, benches and picnic tables, and created a popular area trails map.

We are confident that 2012 will be a year of accomplishments as well. Securing and improving public parks and trails is a constant for the BSCC. Unfortunately, fun and games and great outdoor resources aren't free. Raising the costs of maintaining the trails, parks and programming is an ongoing mission for the BSCC. Much work and substantial funding is still needed to complete the park and trail resources. Please consider a donation of time or money to the BSCC to help us achieve these goals!

Together we will continue to build the Big Sky Community in 2012!

Jessie Neal, Executive Director

PARKS

We have stayed busy completing several important projects this past year, including building the first phase of the Big Sky Community Park! The BSCC:

- Built three fields: two for baseball/softball and one for mixed use.
- Sodded all three fields.
- Renovated and relocated the skate ramp.
- Created a basketball court.
- Resurfaced tennis courts.
- Paved parking lots.
- Added electricity, scoreboards, bleachers and a wildlife-resistant trash enclosure.

We have more to finish...the next components of the Community Park multi-year construction includes a concrete skate park, climbing boulders, lighting, concession and plaza area, and landscaping, which are all subject to funding.

TRAILS

Establishing and maintaining trails is of high importance to the BSCC. This year, the Community Park Trail was expanded; allowing recreationists to access further along the creek and then loop around Big Horn Ridge and back down into the Community Park.

Away from the park, retainer walls, gabion baskets, and water bars have all recently been improved and installed at Ousel Falls in an effort to prevent erosion and degradation of the trail. Work is planned to continue next spring.

PROGRAMS

Historic Crail Ranch will be celebrating 110 years in the meadow in summer 2012 and will be installing a new informational kiosk. BSCC events, barbeques, programs, and summer camps were all successful in 2011 and provided the community with fun local entertainment. The 2012 summer season promises to be full of fun activities and events! See you out there!

If you are interested in volunteer or recreational opportunities within one of our many programs including: Historic Crail Ranch, Camp Big Sky, Softball League, Tennis League, Disc Golf League, Parks Committee, and Trails Committee, please contact us.
